OUR VALUES

At the National Moravian-Silesian Theatre, we offer a rich and varied repertoire that spans both classical and contemporary. For those who enjoy the beauty of timeless works, we present *Coppélia* by Giorgio Madia, *Swan Lake* and *The Nutcracker - A Christmas Carol*, by Youri Vámos, each a hallmark of traditional ballet.
Alongside these classics, our contemporary program features *Hora* by Ohad Naharin, *Carmen* by Jiří Pokorný, and *The Cello* by Jo Strømgren, bringing fresh perspectives and modern choreography to the stage.
Together, these works offer a well-rounded season that will engage and appeal to a wide range of ballet enthusiasts.
